

MC 130

Compact MC 130 sweeper with 2-seater cab and a large container. The versatile device with economical eco/efficiency mode is ideal for year-round use.

1 Kärcher multi-function display

- Integrated in the steering wheel rim and always in view. Single brush control via control elements on the arm rest.

2 Comfortable two-seat cab

- Perfect all-round visibility and maximum convenience. Low-vibration and noise-reduced thanks to 4-fold suspension.

3 Integrated quick-change system

- Tool-free container installation via hydraulically tiltable frame. Disassembly of the brush system via trolley.

4 3.5-tonne class

- Total permissible weight under 3.5 tonnes. For easier operation on pavements. With category B driving licence.

MC 130

Technical data

Order No.	1.442-230.2	
Drive - power	kW / hp	36.5 / 50
Max. area performance	m ² /h	22500
Working width	mm	1200
Variable sweeping width	mm	1200-2250
Waste container	l	1000
Load capacity	kg	1225
Water container	l	195
Climbing ability	%	25
Driving speed	km/h	40
Working speed	km/h	10
Turning radius	mm	2830
High container emptying	mm / m	1400
Operating hours on one tankful	h	10
Weight	kg	2000
Dimensions (L × W × H)	mm	3950 × 1200 × 1990
