

IC 15/240 W

The IC 15/240 is a compact, modern and functional cleaning machine for localised cleaning on exterior surfaces, primarily developed for municipal use. There is a specific emphasis on functionality, ease of use, robust appearance and its suitability for series and additional equipment such as the efficient fine dust filter or the blowing function.

1 One-hand operation via drawbar

- Easy machine handling and control - one hand is always free.

2 Hydrostatic, maintenance-free traction drive (forwards/backwards)

- Comfortable working even on gradients; easy to transport.

3 Designed for standard refuse bin (240 l), available worldwide

- Easy disposal by changing refuse bins.

IC 15/240 W

- Hydraulic traction drive with forward and reverse gears.
- Suction pipe with arm-guide

Technical data

Order No.	1.183-903.0	
EAN code	4039784469204	
Drive	Four-stroke petrol engine / Honda	
Power	kW	4
Working speed	km/h	6
Operating hours on one tankful	h	2.5
Container capacity	l	240
Load capacity	kg	70
Working width	mm	100
Climbing ability	%	15

Equipment

Suction hose with suction tube	■
Elapsed time counter	■
240-litre rubbish bin	■
Lockable storage compartment	■
Electro start	-
Hinged bulk waste flap	■
■ Included in delivery.	

ACCESSORIES FOR IC 15/240 W
