

T 7/1 Classic

Light and ergonomic: the T 7/1 Classic with standard fleece filter bag is an entry-level class vacuum cleaner, offering great value for money, powerful suction and cord storage.

1 Low weight

- The T 7/1 Classic is up to 50% lighter than competitor models with the same container capacity and is easy to transport due to its low weight (3.5 kg). Stairs or longer distances are not a problem.

2 Main filter basket for optimal dust separation

- The permanent main filter ensures optimum dust separation, allowing operation without a filter bag.

3 Maximum suction power with simultaneously minimal energy use

- Instead of using oversized turbines, the T 7/1 Classic offers optimised air flow and maximum suction power.
- Compared to our competitors' machines, power input and power consumption are nearly 25% lower (1,000 watts compared to 1,300 watts).

4 Cable hook

- The power cord is simply attached to the cord hook. This prevents dangerous tripping hazards during transport.

T 7/1 Classic

- Extremely lightweight (< 3.5 kg)
- Strong suction power
- Low noise

Technical data

Order No.	1.527-181.0	
EAN code	4039784997073	
Air flow rate	l/s	40
Vacuum	mbar / kPa	230 / 23
Container capacity	l	7.5
Max. rated input power	W	max. 1000
Standard nominal width		35
Sound pressure level	dB(A)	63
Sound power level	dB(A)	75
Weight	kg	3.5
Dimensions (L × W × H)	mm	375 × 285 × 322
Energy efficiency class		D

Equipment

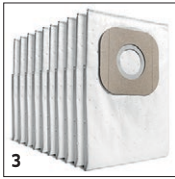

Suction hose	m	2
Suction tube, plastic 3 x 0.35 m		■
Filter bag		Fleece
Switchable floor nozzle	mm	270
Container material		plastic
Floor nozzle		■
Protection class		II

■ Included in delivery.

ACCESSORIES FOR T 7/1 CLASSIC
